25X1A 14. (Unclassified - RCR) Betty Cooper, in the office of Senator Gale W. McGee (D., Wyo.), called and asked that application forms and brochures be forwarded to a constituent, [REDACTED] 25X1A [REDACTED] The Office of Personnel was advised and will handle the matter.

25X1A 15. (Confidential - LLM) Met with Patricia Maguire, in the office of Senator James L. Buckley (R-C, N. Y.), concerning the Senator's letter to the Director on behalf of [REDACTED] 25X1A [REDACTED] I told her the case involved [REDACTED] as they had been led to believe, and was now in the process of appeal. Miss Maguire had no problem at all with the policy involved and said a written response would not be necessary but that I might receive a call from the Senator's Executive Assistant, Thomas E. Cole, since there was some political pressure behind the case.

16. (Unclassified - LLM) Mr. Ralph Burr, OMB, called Mr. Maury and gave us substitute language for incorporation into our report to Chairman Hebert on H.R. 3578 (Temporary National Security Commission). OMB wants us to take a position against the bill on the basis that adequate review mechanism already exists. He agreed that as an alternative to his proposed language we could simply state that the Agency associates itself with the views of the Department of Defense. Burr said we should consider our proposed reply, as changed, cleared by OMB for transmittal to the Congress.

17. (Unclassified - LLM) Spoke with Miss Laura Aidt, in the office of Representative Robert T. Stafford (R., Vt.), who called to find out the employment opportunities with the Agency for a French and Spanish translator. I told her I would check with our Personnel people and be back in touch.
